Thank you for such a great Hawaii trip. My daughter hasn't stopped talking about it! I love that she has her own adventures without mom! It gives her the chance to be the independent adult that she strives for.

Frequently Asked Questions

What level of support do you provide?

Our average support ratio is one chaperone for every 4 travelers. Trips Inc.™ chaperones assist travelers with medications, spending money, and reminders for bathing, hygiene, dressing and using the restroom. Travelers who require hands-on support for personal care, medication administration, or for any other reason will need to bring a personal care provider for their safety and well-being. We assess the needs of our travelers before each trip to ensure we have the best support plan in place for them to travel safely.

Can we send a care provider with our traveler who has extra support needs?

Absolutely! We have many travelers who bring their own care providers. It is the traveler's responsibility to pay for their care provider to go on the vacation. Care providers pay the same all-inclusive package price as the traveler. Travelers and their care providers will be upgraded to a private room on most trips.

Are your vacations accessible for travelers who use mobility devices (e.g. wheelchairs, walkers, etc)?

Several of our trips are either mostly or partly accessible depending on the infrastructure and resources available at the destination. Please see each vacation description for further information about the trips accessibility.

How does a traveler get to their destination if they live in another state?

Trips Inc.™ has a certified travel agent who will arrange air transportation from your area to the vacation destination. Chaperone accompaniment is guaranteed out of Portland, Oregon. Since we serve travelers from every state in the country, we will arrange to meet you at our final destination. For our travelers who fly unaccompanied, airline-assisted gate transfers will be requested for any flight connections. Plus, airline gate assistance passes can be obtained to walk travelers through airport security and directly to their flight departure gate. We will meet travelers at their flight arrival gate at the final destination.

All travelers must have a current **REAL ID or U.S. Passport** to travel by air for all trips starting **May 7, 2025**

How do I register for my trip?

Registering is easy! You can book a vacation online at tripsinc.com or call 541-686-1013 to register by phone. Upon receipt of your registration, Trips Inc.™ will contact you by email to request your deposit and any additional paperwork required.
